“Making Room for Others”

[June 05, 2022- #4838 Music & the Spoken Word \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

It’s relatively easy to be loyal and kind to people in their presence, especially when it benefits us in some way. It takes integrity to be compassionate to those who may not be in a position to notice and reward our loyalty. Imagine how the world might be different if we all sought acceptance by accepting others, if fitting in meant making room, if we treated others the way we hope they would treat us.

Judy Note:

- **Imminent:** Military on High Alert for Stock Market Crash, Riots in major cities over Roe vs. Wade and Gun Rights Supreme Court decisions, food shortages, Durham Report, and implementation of GESARA/ NESARA.

C. Fri. 24 June Fleming: [06/24/2022 YouTube and Telegram Live Call Just an Update - YouTube](#)

Judy Note: Fleming talks about at some point, going to the bank and receiving \$3.22 for your Dinar. Please note that Redemption Centers are set up to give you a much higher exchange rate.

- **According to a statement from an Iraqi Minister** working with the Central Bank of Iraq, the only currency that is set to go and given permission to go is the Dinar.
- **Apparently this is unique to Iraq**, and no other currency has been given the necessary approvals to revalue at this time.
- **The Iraqi Dinar** will be seen live on Forex, and accessible from every lawful international exchange at \$3.22 and expected to float to \$17.00 quickly.
- **The Dinar can be exchanged** at a bank at \$3.22.
- **The target date is presently unknown.** Could be any minute.
- **Allowing Dinar to revalue establishes a domino reaction.** Iran, Israel, Saudi Arabia, every Middle Eastern country will be scurrying to catch up and manage this.
- **What was the impetus? The need to devalue the dollar** which buys nothing these days. As MarkZ reported, 100 ministers voted to devalue the dollar. This has been confirmed. The attack on the USD is escalating.

D. Russian President Vladimir Putin has announced that BRICS countries are working on a new international reserve currency:

G. Ken and Barbie vs. IRA Goliath and the corrupt US Judicial System:

- **Next Mon. 27 June** the Cromars face trial and possible 15 year prison sentence for living in their own home, even though they have been cleared of any IRS tax claim.
- Their case with the IRS began after Ken began to expose extensive governmental abuse on a local, state and now it appears, on a possible national level.
- **Of note was that their Prosecuting Attorney David Leavitt recently admitted that he was under investigation by the Utah County Sheriff's Office for what Leavitt himself described as the Satanic Ritual Abuse of children.** “Utah Police Investigates Child Sacrifice” <https://youtu.be/VteDxjY637k>
- **Despite the IRS Dismissal the Cromars have twice been evicted from their home that they own without a hearing on the matter**, been arrested without a warrant, been denied due process, been denied court hearings, been denied the ability to file documents in their defense, been denied the right to call witnesses in their case, virtually all of Barbie & Ken’s earthly possessions including Ken’s professional filmmaking and editing equipment, were stolen from their home and “discarded” in some unknown landfill, reportedly in “at least 7 large dumpsters”, depriving the Cromar’s of their “papers and effects” in violation of the Fourth Amendment, and their ability to make a living without all of his tools of his trade, plus made their defense in the upcoming trial extremely difficult.

J. Covid/ Monkey Pox/ Vax Hoax:

- **VACCINATION WARNING:** As reported in studies and by Pfizer's own admission, the Pfizer Vaccine has been found to discharge toxins and free radicals into the system that respond to magnetic fields. The vaccine has been found to damage sperm mobility, cause abortion and create Cancer and Blood Clots that in some cases have lead to death. That's why the vaccine had to be listed as "experimental," while in violation of the law, ingredients do not appear on the label. Any adverse affects experienced by a vaccinated person cannot be litigated in court.

M. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring:

- **Statement from Donna Rice Hughes, President and CEO of Enough Is Enough:**
With the Largest Online Porn Enterprise Execs Stepping Down Amid Alleged Criminal Activity, Enough Is Enough Ramps Up Call on DOJ to Begin Obscenity Prosecutions.
- **Enough Is Enough® (EIE), a national non-profit organization who has been leading the fight to make the Internet safer for children and families since 1994, is issuing a clarion call to DOJ to prioritize the aggressive enforcement and funding of all existing laws designed to prevent the online sexual exploitation of children**, including the obscenity laws which have gone unenforced for nearly two decades.
- **This renewed urging comes on the heels of reported layoffs and the resignations of two top executives at MindGeek, the parent company of Pornhub**, just one week after The New Yorker published a report documenting sexually explicit non-consensual videos and child sex abuse material (CSAM) hosted on Pornhub. The article follows a string of disturbing reports and class action lawsuits against Pornhub and MindGeek.
- **“With eyes wide open, online pornographers, like Pornhub, have been knowingly breaking U.S. obscenity, child pornography, and sex trafficking laws for years with impunity,”** said Donna Rice Hughes, President and CEO of Enough Is Enough.
- **“Any child with unrestricted internet access can view graphic online pornography**, most of which is prosecutable under existing obscenity laws, and is NOT protected under the First Amendment. It is illegal to produce and distribute. Yesterday’s black-market pornography is now today’s mainstream porn, depicting horrific scenes like teen rape, incest, teens, group sex, torture, strangulation, bestiality, waterboarding, and eroticized racism,” said Hughes.
- **“While this extreme content would be nauseating to decent adults, children have been fed a steady diet of illegal porn** due to the ‘anything goes’ policy of DOJ, who have turned a blind eye to these multi-billion-dollar criminal enterprises like MindGeek, headquartered in Luxembourg, but has offices in the U.S. If this continues, we will rally our NGO coalitions to call on Congress for DOJ oversight hearings for their failure to uphold the rule of law.”
- **Research shows that 58% of kids that consume this pornography, which is the online de facto sex educator of youth, are under the age of 14 years old.** Multiple studies show that pornography use leads to an increased risk of committing sexual offenses, with the average age of first perpetration of sexual violence between 15 -16 years old, and strongly associated with exposure to violent pornography.

- “**For over 18 months, we’ve been calling on the Department of Justice to investigate MindGeek** for these crimes against humanity. Pornhub has profited from every click, download and view of abusive, violent and exploitative videos and images that have irreparably harmed the victims featured, including innocent children. EIE’s “[Shut Down Pornhub campaign](#)” (17.9K signors) is the only petition calling on DOJ to prosecute Pornhub for knowingly violating obscenity laws in addition to sex trafficking and CSAM laws. So far, nothing.
- **In order to end child sexual exploitation, abuse and trafficking, its critical to curb its key fueling factor, extreme online porn.** Since 1995, Enough Is Enough (EIE) has been the leading voice calling for the DOJ to prioritize obscenity prosecutions. In a historic first, Congress incorporated EIE supplied language in the FY21 and FY22 Appropriations bills directing DOJ to: “*...investigate and prosecute major producers and distributors of hardcore adult pornography that meets the Supreme Court test for obscenity. Such enforcement is necessary to protect the welfare of families and children as traffickers in illegal adult obscenity seek to extend their influence through advances in technology*”.
- **“Additionally, we are hopeful that Congress will once again take up bi-partisan legislation mandating online pornographers** to implement age verification technology. After thirty years in the battle, I know all too well what it takes to dismantle multi-billion-dollar criminal enterprises, and am grateful to our NGO partners, survivors, investigative reporters, credit card companies who stopped processing Pornhub payments, and concerned citizens. Now we need the U.S. Department of Justice to do its part as did the Canadian Parliamentary when it held hearings to hold MindGeek executives accountable. While our work is by no means complete, the dismantling of MindGeek has begun and we are hopeful that other porn giants will be the next to crumble,” concluded Hughes.

N. White Hat Intel Fri. 24 June 2022:

- **The Trump Card** is very, very close to being played!
- **Under Section 3 of the 14th Amendment of the United States Constitution**, "No person shall be a Senator or Representative in Congress, or elector of President and Vice President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof."
- **Election Fraud** would be a serious felony under normal circumstances, but under an active state of war it would be considered an act of treason. Think back Re: Kavanaugh conf. hearings. What are the requirements for a civilian to be tried for treason? We have been in a state of war since 2001.

- **Pelosi and all other members of Congress** are NO LONGER members of Congress, they've forfeited their rights and offices by committing an act of TREASON.
- **Thanks to Section 3 of 14th Amendment they are no longer lawful members of Congress, (and this doesn't even include the Supreme Court justices who are complicit in carrying out this treason against our Nation!!).** They are now considered enemies of the Republic who have aided a foreign power in stealing an election. When you have committed an act of treason, you forfeit your rights as an American. You have no rights. Military law vs civilian law?
- **Any evidence is admissible in a military tribunal court**, so Pelosi's stolen laptop, along with the other 11 stolen laptops, can be used in her military tribunal along with everything else Pelosi has done, to lock her and the others away for good.
- **History will show that Donald Trump** tried every legal avenue to solve this crisis against our Constitution. It will show that all others failed to address this Act of Treason. He tried to resolve this peacefully. His only recourse left was to use the military, but it will be a LAWFUL use of the military as these people have broken their oaths and committed TREASON and INSURRECTION.
- **President Donald J. Trump** is LEGALLY REQUIRED to act on this because of his own oath to the Constitution, to protect our Republic from enemies Foreign AND DOMESTIC.
- **The crimes on their indictments will read; TREASON, SEDITION, and CRIMES AGAINST HUMANITY.** When the whole world finds out they launched a virus to steal an election, the Great Awakening will begin. They've sealed their fates!
- **And again, remember the brilliant preemptive/ offensive maneuver our President made when he signed the Executive Order and National Emergency Act on September 12, 2018...** Any foreign or domestic interference in our National Elections carry severe consequences!
- **Of course High Treason** being chief among them as well as asset seizure/forfeiture, including those who deliberately aid in the execution and dissemination of misleading propaganda enforcing such treasonous activities! Trump Card!

O. White Hat Intel:

- **Israel was last** because Covid exposed the corruption in our health care and political systems, while Israel will expose the root of all corruption and evil in our religion systems.
- **In 1855 ISIS** was formed by Kings of Morocco & Libya [HASSAN Family] together with the Royal British family.
- **They signed in the Mohameddi Law** which was to Kill The Bloodlines of Jesus Christ.
- **Six years later they merged with Skull n Bones:** Rothschilds, Schiff, Rockefellers, Scherff aka Bush, Kissingers, etc.

- **Skull n Bones ISIS** Assassinated JFK.
- **Whistleblower General Flynn** exposed the Gulen Terrorist Network:
- **Flynn discovered that the Obama administration** was creating funding and arming of Jihadist who later waved the flag of ISIS
- **These jihadist actions** were taking place in Gaza.
- **Obama with the help of CIA, NATO and his Jihadist cronies**, were seeking to top Assad in Syria.
- **These treasonous administrations** created funding of ISIS.
- **The US/Jihadist** morphed into the Arab Spring, destabilized the Middle East and created the orchestrated migration crises.
- **Hillary** took part in the launching of the Arab Spring as secretary of state under the Obama administration.
- **Flynn blew the whistle** on the involvement in the Gulen terrorist Network of the Obama administration and by default of HW Bush, G Bush, Clinton, the state department, FBI, CIA and the DOG.
- **Those buildings fully collapsing in Gaza Strip** being hit from one missile are controlled demolitions.
- **Deep State operators** inside both Israel and Palestine camps have been INFILTRATED long ago (Mossad/CIA)
- **Israeli handlers** are in fact Mossad, UK, M16, Rothschilds, CIA
- **Dominion Servers** have a lot to hide from human trafficking to Epstein creation to Vatican bank.
- **The Mossad/ Kazarian mafia** was controlling Ukraine.
- **Connections from the Snake Pit** of corruption by Israeli Elites run deep into United States MSM CIA control.
- 1855 - ISIS Formed by Sanussi Family linked to UK Royals (Khazarians)
- 1861 - Merged with 322 Skull n Bones(Khazarians)
- 1870 - 1930 BIG PHARMA (Khazarian)
- 1871 Act of England(Secret Constitution placed by Secret Societies) Khazarians
- 1912 Titanic/Olympic Sinking (Who was onboard, what really happened)
- 1913 Federal Reserve
- 1917 - 1923 Bolshevik Revolution
- 1945 - 1959 Operation Paperclip/Mockingbird.
- 1948 - Israel Formed(Khazarian/Bolshevik Govt)
- 1949 - Mossad = CIA Formed

P. White Hat Intel: United States (Cabal US Inc.) vs. United States of America:

- **United States is different than the United States of America.** Constitution of the U.S.A. formed in 1776 and the Constitution for the U.S. in 1871.

- **U.S. Inc. United States is a corporation** Formed in Delaware in 1871.
- **All Citizens are governed under Corporate Law.** All corporations must have a President, Vice President, Secretary, and Treasure. Hence, U.S.A. Inc formed in the Act of 1871. A U.S. Citizen is an employee of U.S. Inc.
- **Rome once ruled the world.** Cesar once ruled from “the hill.” Washington DC (Capitol Hill), the new Rome, as Washington DC is the new Rome or Empire. Take a look at a picture of St. Peter’s Basilica in Vatican Square. It looks just like our Capitol Building in Washington, D.C. There is also an Egyptian Obelisk in front of it, just like the Washington Monument in D.C.
- **When you set up a corporation**, you must have three things: A President. A Vice-President. A Secretary-Treasurer.
- **Just like we have with the United States**, yes, the U.S. is a Corporation. A privately owned company and has nothing to do with the United States of America.
- **The United States of America** – The Republic was founded in 1776, and the United States the Corporation was formed in 1871.
- **Ulysses S. Grant was President of the United States** in 1871 when the corporation was formed. Funny, his first two initials are U.S.
- **A U.S. citizen is an employee of the United States Corporation**, which is a business. The word “citizen” means “employee” according to the laws of the United States Corporation.
- **Washington, D.C. is a foreign corporation**, and it is not a State. It’s not a part of America and has nothing to do with the 50 states at all. It is where the foreign U.S. Corporation is headquartered with its own laws.

Q. White Hat Intel, Wires: Fulford

- **The collapse is accelerating as the Khazarian Mafia “Biden” Regime falls into pariah status.**
- **As an example, last week the Biden avatar called a summit of the “Americas” only to be boycotted** by the majority of states in the region. Cuba, Venezuela, Nicaragua, Mexico, Guatemala, Honduras, El Salvador, Uruguay and Bolivia were among the countries to boycott the meeting. Leaders of countries that did attend, like Argentina and Belize, took the opportunity to criticize “Biden.”
- **The rest of the world, including Africa, the Middle East, Asia** (except for the Japanese and South Korean slave states), and a large part of Europe is also shunning the openly criminal US Corporate government. That is why an international boycott against it is causing an economic free-fall there.
- **That is why the Russians** have begun stationing troops and warplanes in Latin America as a move to counter Nato incursions on its own borders, other sources say. This news

item, for example, confirms that Nicaraguan President Daniel Ortega has invited Russia to deploy its armed forces in the country “for humanitarian purposes,”

- **Our sources in Mexican US military intelligence** say the troops are already there along with a contingent of Chinese special forces.
- **This revolt against the US Corporation is why Ibero American narcotics gangs** have stopped supplying Adrenochrome to the Western elites.
- **They have now taken action. Last week Mexican police arrested a “Nelson N”** the alleged head of an international gang of pedophiles. “Nelson” was inexplicably released by Dutch authorities despite being found in 2020 with over 10,000 pornographic images of infants and children.
- **What the Spanish article linked above fails to mention** is that hundreds of naked children, each bearing an identification number, were freed during the arrest of “Nelson,” according to Mexican intelligence sources.
- **CIA sources reminded us that at his trial Sinaloa Cartel boss Joaquin “El Chapo” Guzman**, “stated in court that Comex helped launder \$150 million in cartel money for [US House Speaker Nancy] Pelosi.” It appears only those who were at the trial are aware of this, the CIA source notes.

R. White House Resignations:

- **Multiple resignations** from the Biden Admin and White House staff has happened and continues happening.
- **Rats jumping the ship:** Jen Psaki, Vedant Patel, Mike Gwin, Micheal Kikukawa, Dana Remus, Amanda Finney.
- **21 Black Staff members** have left the White House, with many more planning on resigning their post – the exodus named The Black Exodus from the White House.
- **POLITICO reports** a current staff member inside the White House who has concerns of the Black Exodus and called it BLAXIT
- **Two thirds of BIDENS press** have left in the past two weeks.
- **Behind the scenes** the Biden Administration and White House Staff are in a panic. Ever since the Bilderberg group hosted their event in DC things have been going down HILL.
- **Where's James Comey?**
- **What's happening (going to happen) with the Vatican?**
- **GOT POPCORN?** Enjoy the show. Q

S. How do you collapse a world Cabal that controls the Central Banking System, Big Pharma, Big Tech and War Mongers that control Deep State Military within all world military regimens?

- **How do you expose the corruption** of world leaders and EU Elite societies that created NATO and UN (fake peace keepers that steal wealth, exploit their natural resources)?

- **The EU SUPER POWER** has been denied by India, Malaysia, Indonesia and large portions of Africa in their constant fear campaign to wage wars and create revenue from world countries in their fake agendas to gather sympathetic following in their Deep State operations.
- **Subrahmanyam Jaishankar**, the Indian foreign minister, said that Europe should grow out of the mindset that its problems are the world's problems. "The world cannot be that Eurocentric that it used to be in the past," he said. "Why would anybody in Asia trust Europe on anything at all," he added.
- **Behind the scenes several countries are aligning with Russia/China** and rejecting the EU super power and NATO/EU rhetoric.
- **This SUPER POWER of EU** controlled by the Rockefellers/Rothschilds/ Davos Group, who control Black Rock and Vanguard (the world's top investor firm that controls the industry and economy in all Central Banking systems) is in the verge of collapse.
- **Anons/ Freedom Fighters/ Truth Tellers / World Patriots** have been leaking the truth of economic world collapse since last year. They have been warning all that the World Markets reports were fake and the Central Banking System was inside a major collapse.
- **Only till 16 months** later does EU Deutsche bank CEO admit a recession is happening (they had lied for months of false economic reports and growth)
- **Blame the Russians** for the collapse story is falling apart as Asian countries drop the propaganda and start denying EU super power in their claim for donations.
- **Months ago** we knew that several countries inside NATO (generals inside the countries are fighting within their regimen and their Leaders). This conflict is coming more evident as Deep State money was disappearing by the days and weeks and months.
- **The USD (United States Dollar)** is the world Reserve currency. Almost every nation across the world holds the USD as a secure asset! But now it's becoming clear to several Nations that the EU Super Power connected to the USD was collapsing. Several leaders through the Americas deny the Biden Regime of support and attending invites. Several middle eastern countries have cut off oil to the U.S., EU and their USD.
- **The U.S. and all it's wealth** and every asset is worth 193 Trillion. (But the U.S debt is 90 Trillion + U.S. Unfunded liabilities is 169 Trillion.
- **The world's countries were seeing the collapse** in real time and panic is hitting everywhere. The Deep State in EU is finally admitting they have no money and U.S is inside the collapse. Nobody wants the USD.
- **The collapse of the Central Banking System** connected to the USD is in free fall.
- **There is no more money** to fund the War Mongers paying off half of the Military Generals to ok wars. There is not money to fund the US Military food, travel, pension or oil and gas.
- **The U.S Military** is denying the Biden Regime artillery to send to Ukraine and the EU.
- **Behind the scenes a Quintillion in gold** is stored inside Cheyenne Mountain, placed there by Trump, White Hats Military and Q Operations.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the

process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

W. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
